Celebrating

150
Years

June 25 & July 2

New Heights with Pastor Jeff

Brothers and Sister in Christ,

As was announced during services, I have been asked and accepted a change of appointment to become the Pastor of Christ United Methodist Church in Watertown, WI. This means the Meyer family will be moving this summer, likely in June. My last Sunday will be June 11, and my last Wednesday night service will be June 14.

During my time here at Centenary UMC I believe we have, by the grace of God, learned together to love God more, love each other more and make it the priority in our lives and in the life of Centenary UMC to make disciples of our Lord and Savior Jesus Christ. The spirituality we have shared, the challenges we handled together and the number of people who have come to know Jesus Christ is no doubt pleasing to God and has helped the Kingdom of God expand here in the community of Shullsburg.

I also want to thank you all for the way you helped me personally heal as a Pastor and a person. Your patience and compassion for me as a human being was a blessing beyond words. Thank you all for accepting and loving my wife and my children. The Meyer family will forever cherish our time here and all the blessings and memories you bestowed upon us by the grace of God.

You all are wonderful and beloved sons and daughters of God. You all as Centenary UMC are a wonderful church and a blessed part of the Wisconsin Conference as well as the United Methodist Church as a whole. I will forever treasure being your Pastor here for the last six years and will be a better Christian, person and a Pastor because of all of you and my time here.

Neither your work as a church nor my work as a Pastor, however, is done. Let us pray to God and by the grace of Jesus Christ and the power of the Holy Spirit, let us lean on God and on each other as we go through this transition. Let us prayerfully prepare for all of you and Centenary UMC to continue to answer your calling as Christians and a church to love God, love each other and make disciples of Jesus Christ.

Can I get an Amen?

PJ

Who doesn't love spring? It's an annual new beginning in the circle of life. How can you not feel hope and joy on a sunny spring day as the dull colors of this past winter are replaced with green grass, budding trees and spring flowers. At our house, that also means a long list of things to do to get ready for spring.

Does your list include coming to church to celebrate Palm Sunday, Holy Week and Easter? Has winter flown by and suddenly you realize you haven't been to church since Christmas? That's OK. When you walk through the doors into CUMC, the first thing you probably see is "No Judgement Only Grace".

I would love to be able to talk about abundant giving and how we, as the finance committee, are able to allocate money for mission and community projects to spread the love and word of God. Unfortunately, as you can see from the weekly giving totals for the past many weeks, giving and attendance are down. Way down...

There are many significant changes in the works at CUMC and now is the perfect time to get back in the habit of coming to church and supporting the ministry that is celebrating a great milestone this summer. Our beautiful church building is 150 years old this year and we will be celebrating this in June and July. Our church has received a generous financial gift that is helping us "fix up" many parts of the church that have been needing a facelift for many years. We have many thriving fellowship groups and outreach ministries. And if you haven't heard - we will be getting a new minister in July.

Come as you are, come back as you are, no judgement only grace...and the chance for you to invest and reinvest in the ministry of Centenary UMC.

Sincerely,

Tina Cruse, Finance Chair

Christian Education News

Happy Spring! We will have two performances coming up this month, one on Palm Sunday and one on Easter Sunday. We will continue with our curriculum through May 14. We will be planning an end of the year celebration, so look for that in the next newsletter and in a note sent home.

As the year comes to a close I encourage you to pray to see if Children's Ministry is an area you can help out with. We are in need of volunteers for next year. There are many opportunities including teacher, assistant teacher, snack helper, activity planner, technology helper, and cleaners. If the school year is busy for you, we have summer opportunities creating bulletin boards, classroom organization, and event planning. If Sundays don't work for you, we are also in need for volunteers for our Wednesday night children's programming. Our children are our future, and there is a huge need for volunteers. Feel free to call the church if you feel called to help.

Adult Sunday School

Adult Sunday School meets Sunday mornings in the Serenity Room at 9:15 for an enjoyable time of learning and discussion.

We are starting a study on

prayer using a video by Max Lucado. Max is teaching us that the relationship we have with Jesus is an important part of prayer. It's not necessarily the words we use but the communication we seek to establish.

Join us next Sunday. Together we'll learn how to improve our prayer life. For more information, contact Art Finnigan.

Confirmation Class

Confirmation Class is at 7:15 p.m.
every Sunday night.

Our next meeting will be Tuesday, April 4 at 7:00 p.m. in the Serenity Room. We will again be making pillowcases for Family Advocates. If you are able to bring a yard of fabric and/or a sewing machine, that would be great, but if not, they will be provided. (A donation is suggested for the cost of the materials.)

Future projects being considered are blankets for babies in Africa, comfort items for chemo patients, as well as curtains for cabins at Pine Lake. If you know of an organization that has a particular need and would like to host a sewing day/night (at church or anywhere else), please call or e-mail the church office to choose a date. We will make sure to have experienced people there to help if you don't exactly know what to do.

All ages and skill levels are welcome, so don't be intimidated if you've never sewn before.

From Our Parish Nurse.....

APRIL IS STRESS AWARENESS MONTH

TAKE TIME TO UNWIND...

Stress happens. Sometimes it's unavoidable, at times it's unbearable. That's why taking time for yourself is invaluable. It's healthy to relax, renew, and rejuvenate.

Stress does not merely afflict your mind; it can also affect you on a cellular level. In fact, long-term stress can lead to a wide range of illnesses—from headaches to stomach disorders to depression—and can even increase the risk of serious conditions like stroke and heart disease. Understanding the mind/stress/health connection can help you better manage stress and improve your health and well-being.

The Fight or Flight Response

The sympathetic stress response is a survival mechanism that is hardwired into our nervous systems. This automatic response is necessary for mobilizing quick reflexes when there is imminent danger, such as swerving to avoid a car crash.

When you perceive a threat, stress hormones rush into your bloodstream—increasing heart rate, blood pressure, and glucose levels. Other hormones also suppress functions like digestion and the immune system, which is one of the reasons why chronic stress can leave you more vulnerable to illness.

Danger triggers the stress response. Unfortunately, so can work conflicts, concerns over debt, bad memories, or anxiety in general. Although one bad day at work won't compromise your health, weeks or months of stress can dampen your immune response and raise your risk for disease.

Combat Your Stress

If you suffer from chronic stress and can't influence or change the situation, then you'll need to change your approach. Be willing to be flexible. Remember, you have the ability to choose your response to stressors, and you may have to try various options.

- Recognize when you don't have control—focus on: let go and let God. Don't get anxious about situations that you cannot change.
- Take control of your own reactions and focus your mind on something that makes you feel calm and in control. This may take some practice, but it pays off in peace of mind.
- Develop a vision for healthy living, wellness, and personal growth, and set realistic goals to help you realize your vision.

Relax and Recharge

Be sure to carve out some time to relax and take care of yourself each day—even just 10 to 15 minutes per day can improve your ability to handle life's stressors. Also, remember that exercise is an excellent stress reliever.

Everyone has different ways they like to relax and unwind. Here are a few ideas to get you started:

- Take a walk
- Read a book
- Go for a run
- Have a cup of tea
- Play a sport
- Spend time with a friend or loved one
- Meditate

Please feel free to call her with any health questions you might have.

Do yoga

While you can't avoid stress, you can minimize it by changing how you choose to respond to it. The ultimate reward for your efforts is a healthy, balanced life, with time for work, relationships, relaxation, and fun.

A Note on Borrowing Church Furniture

As garage sale and graduation party season approaches, the church will be getting numerous requests from people wanting to use tables and chairs for their events. If you are thinking about using them, please contact either Eugene Uehling (608-347-4188) or Pam Harker 608-482-1579).

They will discuss costs, check the church calendar for availability, and make the necessary arrangements.

A Vision For Our Church

"Centenary UMC will continue to be THE place to be for weekend worship. People will often drive by this church and think, 'That place is packed: I wonder what I'm missing?' Through our church culture and worship atmosphere we will provide the spiritual spark for people to see God in their daily lives and grow in their understanding, ministry and faithful relationship with Him."
