Happy Thanksgiving and Merry Christmas! I am writing this letter prior to Thanksgiving holidays and soon we will go into the Advent / Christmas season. Given the Thanksgiving in recent years of the Pandemic, when visiting families was limited and flying to other areas was not easy, we are now grateful for what we had taken for granted. This year we can freely hug our children and grandchildren and get together around the dinner table. It is a joyful season of the year and I found living in Wisconsin teaches me and leads me to take part in the thanksgiving spirit of farmers and joy of harvest. So I am happy today first because we have a good harvest year and our farmers' busiest season is successfully over and it's time to celebrate, and second, I am happy and grateful because I now am a part of this great joy.

On Nov. 13, we had a Church Conference, which wrapped up well. We celebrated the mission and ministry of the two congregations and our ministries this past year and prayerfully reviewed what we could do together in Christ in the coming new year. We appreciate our church leadership (ALB), all volunteers and friends of faith for your efforts for God's Kingdom in such a challenging time as this past year.

Looking back, we find Jesus meeting me (us), finding me (us), calling me (us) was a total grace. And Jesus' standard for selecting His disciples was the ability to give up. The ability to give up is far more important in order to be a disciple of Jesus than any great gifts or capabilities. The Gospel has been preached by those who thought they were nothing. The Kingdom of God has been enjoyed by those who thought they were undeserved. Jesus Himself came in the form of the most vulnerable and humble human being – baby. May your Christmas season be filled with this love and hope in Christ.

In Christ,

*Pastor Maria*

### TO LOVE YOU MORE...

It is the job of the pastor, leaders, and whole congregation to care for the body of the church. We are called to love as Jesus loved. The church doesn't always know when you are hurt, having surgery, going through a tough time, or in the hospital.

**If you would like Pastor Maria to visit you or a family member, please call the church office or her cell directly at (253) 886-6015 to set up a time!**

## Meetings and News

### Monthly Accountable Leadership Board Meeting

Tuesday, December 20  
6:00 p.m.

### Retired & Re-Fired Small Group

I hope everyone enjoyed a Happy Thanksgiving with family and friends! Advent season starts this year on Sunday, November 27. This is the start of four weeks to prepare for Christmas, the celebration of the birth of Jesus Christ. Shopping, giftwrapping, baking, and decorating may seem like important parts of a celebration, but they are not the ones your Savior is hoping for you to focus on. We can celebrate Him by praying daily with our families, by reading His word in our Bibles, by worshiping Him in church, and by giving our time to those who need kindness, love, compassion, and comfort. Christ can bring the gifts of hope, joy, peace, and love to your heart if you'll let Him. Let's make Christmas about Christ!

We're all Part of His Flock

The Retired & Re-Fired Group  
Centenary United Methodist Church

We will continue our Bible study at our next meeting on December 12 when we'll meet in the Fellowship Hall at noon. Please bring your own lunch and your Bible study book. Coffee, tea, and a dessert will be provided. We will put together our Christmas gift bags. It should be fun! May God bless you and guide you until we meet again!

Mary Gensler, Retired & Re-Fired Small Group Leader

Worship service is recorded every Sunday and posted on the church Facebook page. The Tech Team is in charge of recording & posting, if you would like to be part of the team, please let team leader Jeremiah Diedrich know.

## Fellowship Group News

Our fellowship group served the families of Loretta (Harker) Ingram on Nov. 22 and Jim King on Nov. 23. I thank everyone who helped set up, brought food, and came to help serve as well as ladies of St. Matthew's, which was a blessing for all of us. We served 130 people for Loretta and 110 for Jim. We cannot do these events without all the hands that make light work. Thank you!

The Fellowship Group continues to supply flowers on the altar for the first Sunday of each month.

Please watch for an announcement in January for a fellowship meeting and also an upcoming Pasty bake.

I wish you all a Very Merry Christmas and happy New year! Remember that Jesus is the reason for the season!

Pam Harker

**Love to sing????** We would like to put together an Adult Choir for Christmas Eve service. If you are interested, please see the sign-up sheet on the back table, or let Pam Harker know. It will be a fun time!

## INTERVIEW CHALLENGE ALERT

Pastor Maria is continuing the "Centenary Interview Challenge." The rule is the same with Ice Bucket Challenge, except there is no ice bucket! After you have an interview with Pastor Maria, you are expected to nominate someone for the next interview. We are hoping that she is able to get everyone to do the challenge. This is a great way for her to get to know everyone.

## Christmas *Blessings*

Centenary is once again sponsoring some families who could use a little extra help this Christmas.

If you selected gifts to buy, **please wrap and return them BY FRIDAY, DECEMBER 16.** You can either **bring them to church during office hours OR drop them off at Becky Mootz's house** (215 S. Iowa St. — there is a deck box by the front door).

Thank you!!

Show your support for our beloved Food Pantry ministry during the Christmas season! You and your family can be part of a Christmas miracle and blessing by doing any of the following:

- 1.) Making a secondary offering to the Food Pantry. Their financial resources are much lower than in years past, so every dollar you give will help put food in the hands and stomachs of many individuals and families that are in need this Christmas. Simply write out a check with "Food Pantry" in the memo, or place cash in a giving envelope and mark it "Food Pantry."
- 2.) Participating in our "Fill the Sills" drive where we make Christmas offerings to Christ throughout the weeks of Advent, filling—and our goal is to absolutely fill—the window sills in the sanctuary with nonperishable and canned goods and paper products to help increase the inventory of the Food Pantry. Food can be left outside the upper doors during office hours.
- 3.) Bringing soup and crackers into the church prior to December 15 as part of the Christmas collection here at Centenary.

Be a blessing and part of the miracle and hope of Christmas through your support of the Food Pantry!

Tina Cruse, Food Pantry Leader

## Going Above and Beyond as Stewards of CUMC

### Food Pantry Giving

We collected 10 items for November! For the month of December we are collecting **soup and crackers**. Distribution will be on Thursday, December 15.

### December Missional Giving

Mission money collected this month will go to the Warm Hearts Fund here at CUMC. This fund is used to help out people who are in need and come to Pastor Maria for help. She meets with the individual, learns about their situation, and offers them counseling and support.

If you would like to give to a different ministry, just write it on your envelope, but if you don't, it will go to this month's cause.

Join us on Sunday mornings before Worship for Coffee and Fellowship. Coffee, tea, and milk along with a light snack will be served from 9:30-10:30 a.m. every Sunday.

If you feel called to sign up for a Sunday, please see the sign-up sheet on the back table or contact the Team Leader, Mary Gensler.

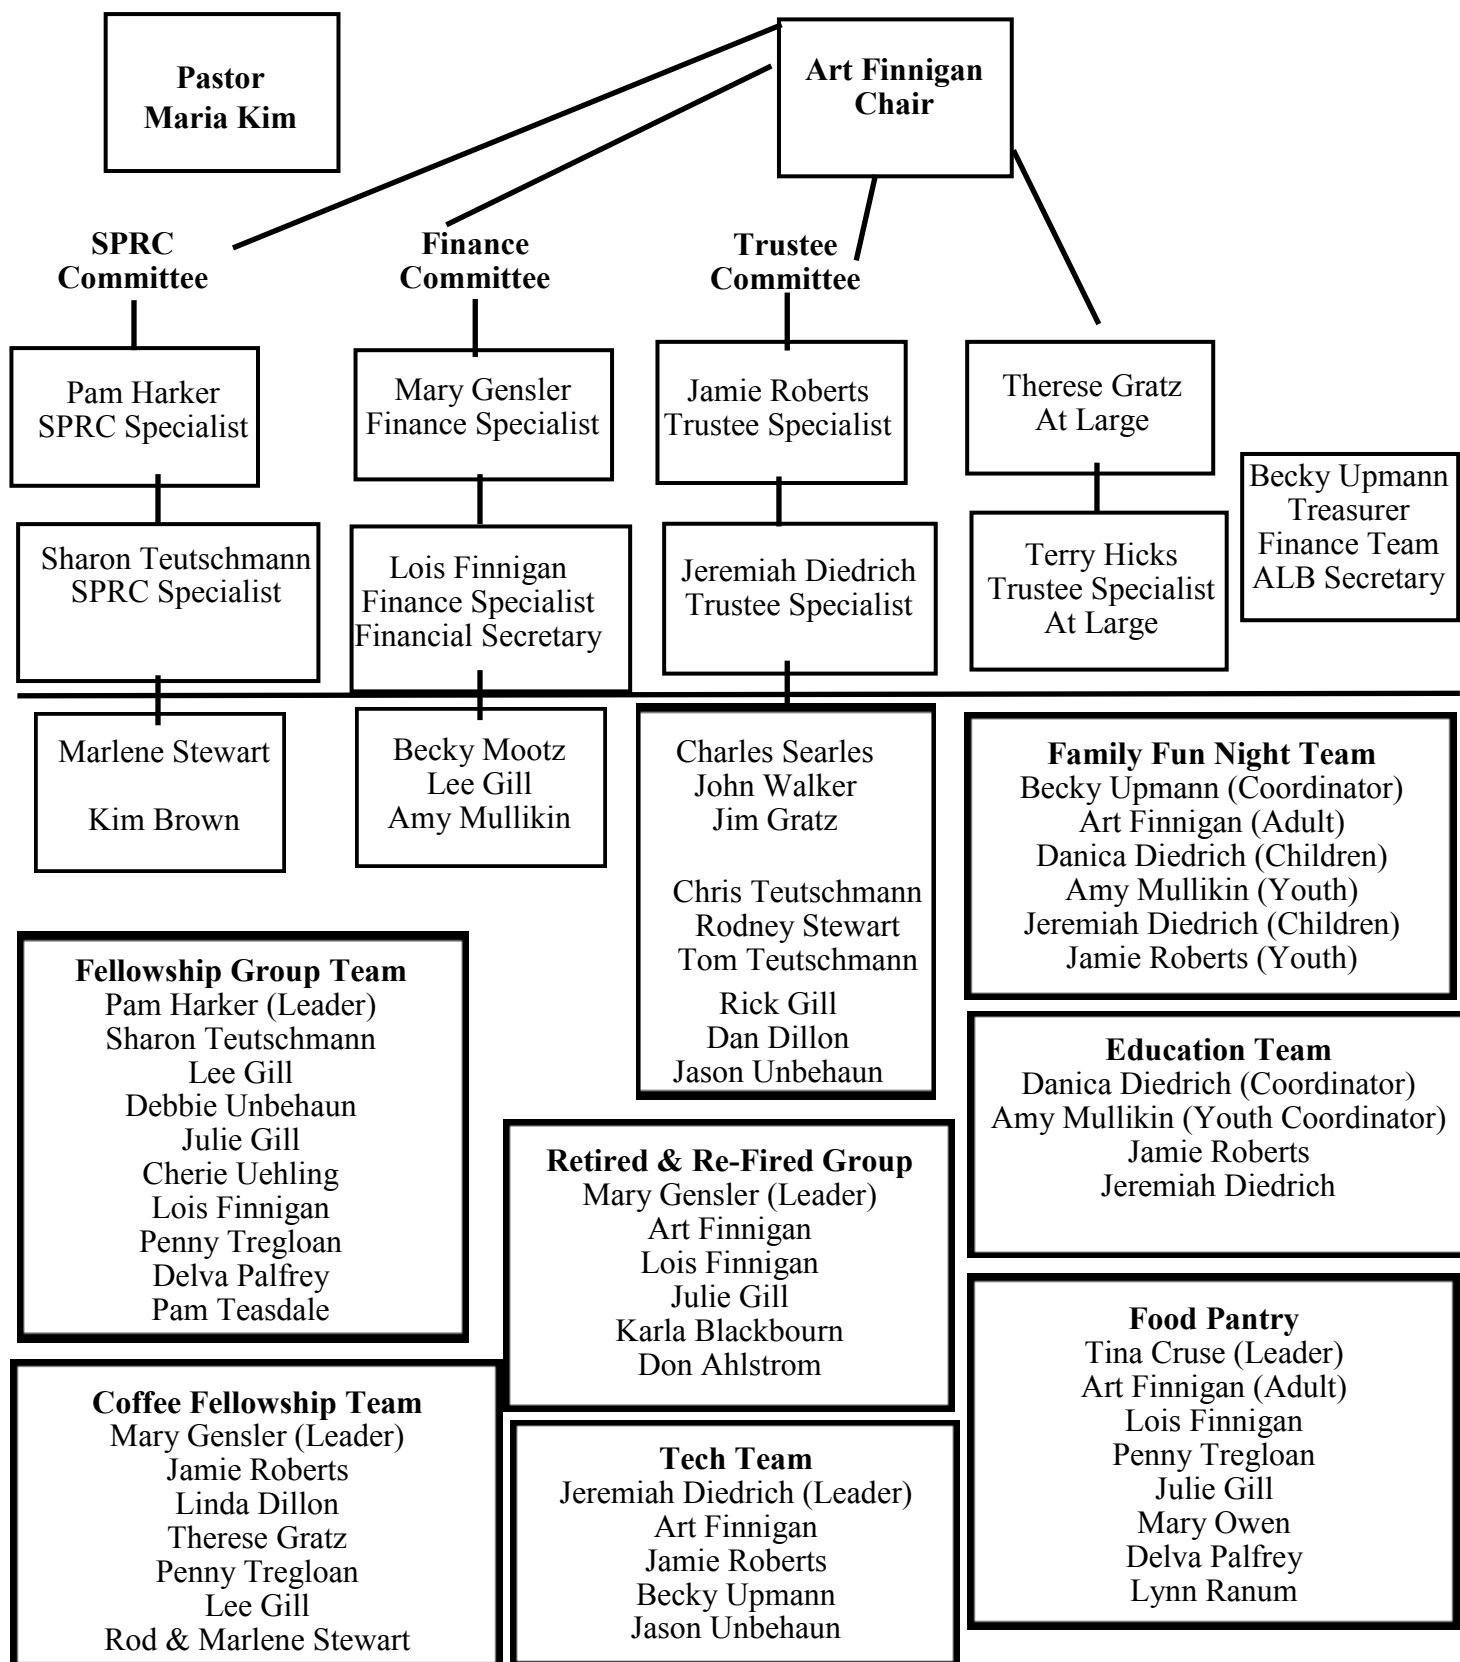

### Fill the Sills for Jesus!

Again this year Centenary UMC is attempting to fill all the sanctuary window sills during the Advent and Christmas season with non-perishable food gifts to offer to Jesus on His birthday! The beloved ministry of CUMC Food Pantry will distribute them to those in need in our community. **Please start bringing food products to church (you can leave outside the upstairs doors on office days Monday-Thursday or call ahead and we will come out and get it from you)** and let's fill the sills again this year to provide food for our brothers and sisters and God's beloved children! We will be collecting donations until Wednesday, December 14.

## Seasonal Affective Disorder (Major Depressive Disorder with Seasonal Pattern)

### **What is seasonal affective disorder?**

Seasonal affective disorder (SAD) is an older term for major depressive disorder (MDD) with seasonal pattern. It's a psychological condition that results in depression, normally provoked by seasonal change. People typically experience the condition in winter but it can occur during any season.

### **What are the causes of seasonal affective disorder?**

The exact cause of SAD (MDD with seasonal pattern) is unknown. Contributing factors can vary from person to person. However, people who live in parts of the country that have long winter nights (due to higher latitudes) and less sunlight are more likely to experience the condition. For example, SAD is more common in Canada and Alaska than in Florida where the sun is shining.

Light is thought to influence SAD. One theory is that decreased sunlight exposure affects the natural biological clock that regulates hormones, sleep, and moods. Another theory is that light-dependent brain chemicals are more greatly affected in those with SAD.

People whose family members have a history of psychological conditions are also at greater risk for SAD.

### **What are the symptoms of seasonal affective disorder?**

While SAD affects people differently, symptoms most commonly begin in October or November and end in March or April. However again, it's possible to experience symptoms before or after this time.

In general, there are two types of SAD: wintertime and summertime.

*Symptoms of wintertime SAD can include:*

daytime fatigue	difficulty concentrating
feelings of hopelessness	increased irritability
lack of interest in social activities	lethargy
reduced sexual interest	unhappiness
weight gain	

*Symptoms of summertime SAD can include:*

agitation	difficulty sleeping
increased restlessness	lack of appetite
weight loss	

In severe instances, people with SAD can experience suicidal thoughts.

Seasonal  
Affective  
Disorder

---

### **How is seasonal affective disorder diagnosed?**

The symptoms of SAD can mirror several other conditions. These include:

bipolar disorder  
hypothyroidism  
mononucleosis

A doctor may recommend several tests to rule out these conditions before they can diagnose SAD, such as thyroid hormone testing or checking for abnormal white blood cells with a simple blood test.

A doctor or psychiatrist will ask you several questions about your symptoms and when you first noticed them. People with SAD tend to experience symptoms every year. It's not typically related to an emotional event, such as the death of a loved one or the end of a relationship.

### **How is seasonal affective disorder treated?**

Both forms of SAD can be treated with counseling and therapy. Another treatment for wintertime SAD is light therapy. This involves using a specialized light box or visor for at least 30 minutes each day to replicate natural light.

Another treatment option is a dawn simulator. It uses a timer-activated light to mimic the sunrise, which helps to stimulate the body's clock.

Light therapy should be used only under a doctor's supervision and on approved devices. Other light-emitting sources, such as tanning beds, are not safe for use.

Healthy lifestyle habits can also help minimize SAD symptoms. These can include a healthy diet with lean protein, fruits, and vegetables, exercise, and regular sleep.

Some people benefit from medications such as antidepressants. These may include medications such as Prozac, Wellbutrin, Zoloft, Paxil, Lexapro or Celexa to name a few. Talk to your doctor about which medication may be best to treat your symptoms.

### **When should I seek medical help?**

If you believe you are experiencing symptoms associated with SAD, see a doctor, counselor, or psychiatrist as soon as possible.

***If you have thoughts of wanting to harm yourself or others, or feel that life is no longer worth living, there are people who will help. Please seek immediate medical attention or call the National Suicide Prevention Lifeline at 800-273-TALK (8255) for more information.***

## God's Voice

*"The one who sows sparingly will also reap sparingly, and the one who sows bountifully will also reap bountifully. Each of you must give as you have made up your mind."*  
(2 Corinthians 9:6-7a)

Are you 70-1/2 or older? Or do you know someone 70-1/2 or older? If you are, what ministries are you most passionate about? Don't pass up the chance to make a special gift this year! Don and Sandi always wanted to see a youth minister in place at their church. When they learned they could make a distribution directly to their church from their Traditional IRA to provide the seed money to start this ministry, they decided to tithe their IRA. A few other members of their church joined them in this effort, and now the youth ministry position is funded for the next five years.

The IRA Rollover is a special giving option that is only available to persons 70-1/2 and older. Call your IRA administrator today and request to have your Required Minimum Distribution for 2022 (or a gift of your choice up to a maximum of \$100,000) sent directly to your local church (or other charity). This gift will benefit the ministry you have designated and will NOT be included in your gross income for tax purposes.

What types of IRAs qualify? Only Traditional and Roth IRAs qualify.

Where can I make Qualified Charitable Distributions from my IRA? Only to qualified public charities. All United Methodist Churches and United Methodist Ministries are qualified public charities: UMCOR, any of our Health and Welfare Ministries, UM Camps, or Advance Specials. You may make an outright gift or make a gift that establishes a permanent endowment fund.
