Celebrating

150
Years

June 25 & July 2

New Heights with Pastor Jeff

Brothers and Sisters in Christ,

The gospel tells us that Jesus Christ, before starting his ministry, went out into the desert for forty days without food or water. At the end of it the Devil himself came out to tempt Jesus and see if he could somehow distract Christ from what He had been born the first Christmas Eve to do. Save us all.

Lent is a forty day period where we are to make a special effort to turn away from the physical, material and fallen world we live in with all its temptation and focus on Jesus Christ. Focus on everything Jesus Christ has done and is doing for us all. This includes going into the desert, being whipped and tortured, and dying on a cross for all of our sins to ensure we are not led astray from what we were born to do: become a beloved son or daughter of God and then play our part in God's plan to save all of humanity. To have all of humanity be a part of the resurrection of Jesus Christ so we may all live now and forever in the Kingdom of God.

This is our calling as Christians and a church and by participating in and making this Lenten and Easter season a priority: to become prepared to fulfill that calling. By giving up more and giving more. By praying more, by making sure we all come to church, by spending more time thinking about and seeking God we all come a little bit closer, and prayerfully bring others closer, to God and the eternal Kingdom of God.

This is our forty days, brothers and sisters. Jesus did it without food or water in the heat of the desert with the Devil taking him on one on one....can we as Christians and as His church make Jesus and his church the top priority in our lives for the next forty days in return?

PJ

Finance News

Remember the Convenience of Electronic Giving

The Finance Committee would like to remind you that we offer Electronic Funds Transfer (EFT) as a way to automate your regular weekly offering. Not only is electronic giving from a checking or savings account convenient for individuals, but it also provides much-needed donation consistency for our church. As you contemplate future contributions, please consider electronic giving. Authorization forms and additional information are available from the church office.

Some information
from the SPRC.....

Did you know the members of the SPRC, along with the Trustees committee, have decided to hire **John Walker** as CUMC's new **Building and Grounds Superintendent**?! This means that he will be overseeing all maintenance projects and upkeep. So, if you see something that needs to be done, please let him or the office know. Terry Hicks will still be mowing the lawn, and we have a hired snow removal person. This is a true blessing to CUMC!

Lenten Sermon Series

Just Say Yes: Unleashing People for Ministry

This Lent Pastor Jeff will be preaching a sermon series based on bestselling author as well as United Methodist Pastor and Bishop Robert Schnase's latest book: *Just Say Yes (Unleashing People for Ministry)*.

The book is available to purchase from the church and Amazon.com for \$12.00. To order a copy, simply place your payment in the offering plate or turn in to the church office (make sure to indicate "Just Say Yes" in the memo or on the envelope).

It is highly advised, especially for Church Leaders, to read the book this Lent while Pastor Jeff gives his sermons. Here is the summary description of *Just Say Yes!*)

In Just Say Yes! Robert Schnase shows church leaders how to unleash people for fruitful ministry. He teaches leaders to spot their own nay-saying, and gives specific instructions for reversing the culture of 'No' that has become so prevalent in many churches. Step by step, Schnase shows readers—pastors, other church leaders, and congregants—how to make significant change in their attitude and actions, to become a permission-giving church.

THE FIRST SERMON WILL BE SUNDAY, MARCH 5 & WEDNESDAY, MARCH 8, SO BE SURE TO ORDER YOUR BOOKS RIGHT AWAY!

Women's Dinner & Movie

Join us on Sunday, March 5 for a Women's Dinner & Movie. We will be going to AMC Theater in Dubuque for the 1:00 p.m. showing of a movie based on a father's uplifting spiritual journey, followed by going somewhere to eat. *After suffering a family tragedy, the man is facing a crisis of faith, he receives a mysterious letter urging him to an abandoned shack deep in the Oregon wilderness. Despite his doubts, he journeys to the shack and encounters an enigmatic trio of strangers led by a woman named Papa. Through this meeting, he finds important truths that will transform his understanding of his tragedy and change his life forever.*

Women's Retreats Planned for 2017

We had so much fun on our weekend retreat in October that we already secured TWO more dates for the upcoming year before we even left Pine Lake! We are very excited to announce a Spring Retreat will be May 19-21, and a Fall Retreat will be September 22-24! More details to follow. Registration forms are available now for the Spring Retreat (also below) and can be turned into the church office to secure your spot!

Join us for our spring Women's Retreat! On **Friday, May 19** we will meet at Pine Lake United Methodist Camp in Westfield for a weekend of worshipping, studying, praying, singing, relaxing, playing games, eating delicious food, and enjoying each other's company. We will be doing a DVD study of *The Armor of God* by Priscilla Schirer.

We will begin at 7:00 p.m. on Friday and conclude at 3 p.m. on Sunday (note that this is later than in years past). *We have also changed the building that we will be using. The new facility that we will be using has a bigger meeting space so we can accommodate more people more comfortably. The first 10 people to register for the event will stay at the Wesley House, and the fee for the weekend will be \$55. The next 4 people to register will be staying in the Red Oak house which will be \$65 for the weekend. The next 4 people will be at the Black Oak house which will be \$67 for the weekend.*

Fellowship Group News

March is upon us and Lent begins March 1. As with new beginnings our church has been given a wonderful gift, and we are using a portion of that to make changes in our Fellowship Hall. We will be painting, changing our ceiling, placing a permanent island for serving and storing buffet items, and putting down new flooring. The work will begin in the next few weeks. Once we know when and how long the space will be under construction, we will pass it along. What a blessing!

We will be celebrating our 150th church anniversary with a Heritage service on June 25 and then our 150th celebration on July 2. We are super excited, so mark the dates on your calendar now as it is an important part of our church heritage and family. We will be serving a dessert and punch after the heritage service June 25 and then a pasty and fried chicken lunch after the July 2 service. Watch for details coming in the April newsletter.

Thanks to everyone who helped make our recent pasty bake on February 18 such a huge success! We sold 120 pasties and could have sold even more! It takes a lot of hands, and we had so many people help—it was awesome and wonderful!! Thanks again! *A special shout out and "thank you" to Jean Edge as she has decided to retire from pasty baking. She has always been there for us, and we appreciate all that she has done.*

God Bless & remember the sacrifice of God's beloved son for us!

New Church Directory & Commemorative Book

The 150th Celebration Committee would like to have a new directory made, including historical pictures and information, to commemorate this year's anniversary. Arrangements have been made with Life-touch to schedule photography days on Friday, March 31 and Saturday, April 1.

Helpers will be needed to schedule families, help set up and check people in on photography day, as well as gather the historical information. Please let the church office know if you are able to lend a hand in one of these areas..

Since pictures of the celebration will be included, the book will not be printed and returned to us until later this year or early 2018.

Adult Sunday School

Adult Sunday School meets Sunday mornings in the Serenity Room at 9:15 for an enjoyable time of learning and discussion. We are starting a study on prayer using a video by Max Lucado. Max is teaching us that the relationship we have with Jesus is an important part of prayer. It's not necessarily the words we use but the communication we seek to establish.

We aren't the first to struggle with prayer. The first followers of Jesus needed prayer guidance, too. In fact, prayer is the only tutorial they ever requested. Jesus gave them a prayer, not a lecture on prayer or a the doctrine of prayer but a prayer we can remember and quote.

In "Before Amen," best-selling author Max Lucado joins readers on a journey to the very heart of biblical prayer, offering hope for doubts and confidence even for prayer wimps. Distilling prayers in the Bible down to one pocket-sized prayer Max reminds readers that prayer is not a privilege for the pious nor the art of a chosen few. Prayer is simply a heartfelt conversation between God and His Child. Join us next Sunday. Together we'll learn how to improve our prayer Life.

Retired & Re-Fired Small Group

Each month we offer up prayers for many of our Retired and Re-fired members and friends. As I was making calls and checking on folks this month, I heard lots of good news and thanked God for the healing that has taken place. I also learned that there are many more of our friends in need of your prayers.

We just started a new Bible study on learning to trust God. We'll be using a video series on John Ortberg's book If You Want to Walk on Water, You've Got to Get Out of the Boat.

Great things happening in R & R. We'd love to have you join us! We meet on the second and fourth Mondays at noon in the Serenity Room.

We will meet at 7:00 p.m. in the Serenity Room to sew pillowcases for a still-to-be-determined charity. If you are able to bring a yard of fabric and/or a sewing machine, that would be great, but if not, they will be provided. All ages and skill levels are welcome, so don't be intimidated if you've never sewn before.

5 Things You Should Know (and Share) about Kidney Disease for Kidney Month

March is National Kidney Month—a great opportunity to learn about your risk for kidney disease and take steps to prevent it! Here are 5 facts about kidney disease from the American Kidney Fund to share with friends and family throughout the month:

Kidney disease often has no symptoms until the late stages. Millions of Americans have kidney disease and don't know it. Simple tests can tell you your kidneys are working right.

Diabetes and high blood pressure—the leading causes of kidney failure—cause nearly 2 out of every 3 cases of kidney failure.

As many as 31 million Americans are living with chronic kidney disease and millions more are at risk. Kidney disease is the ninth-leading cause of death in the United States.

You can take simple steps to protect yourself from kidney disease. A healthy lifestyle, which includes exercise and good control of other conditions such as diabetes and high blood pressure, can help prevent kidney disease.

Some people are more at risk for kidney disease. You may be at risk if you have diabetes or high blood pressure; have a family history of kidney disease; are over age 60; or African-American, Hispanic, Native American or Asian American.

5 Common Kidney Health Questions

1. Does kidney disease run in families?

Yes and no. Most cases of kidney disease are caused by diabetes or high blood pressure. Both diabetes and high blood pressure tend to run in families. This means that, while you don't inherit this kind of kidney disease from your parents, you may be at more risk for kidney disease if your family has a history of kidney disease, diabetes or high blood pressure.

The only common kidney disease that is directly passed down from parents to their children is polycystic kidney disease (PKD).

2. How much water should I drink?

You may not need to drink a full eight glasses of water every day to stay healthy, as once thought, but water is still a better choice than drinks with caffeine like soda, coffee or tea. Avoiding sugary juices and fruit punches is also a good idea, especially if you have diabetes. Drinking plenty of water may also help prevent kidney stones and urinary tract infections. Some easy ways to add water to your diet are:

- Keep a pitcher of filtered water in your refrigerator. It will be the first thing you see when looking for a cold drink to quench your thirst.

- If you drink soft drinks with your meals, choose a meal—lunch, for example—and only drink water with that meal, each day.
- Add a slice of cucumber, lemon or lime, or a sprig of fresh mint to give your water a little pop of flavor.
- Keep a refillable water bottle at your work station. Not only is it better for you, it will save you money!
- Spruce up sparkling water with a splash of 100% fruit juice for a low-calorie carbonated drink.

Note: If you have late-stage kidney disease, heart failure, or are on dialysis, you may need to limit how much you drink. Talk to your doctor or a dietitian about how much fluid you should have each day.

3. Is alcohol bad for my kidneys?

Alcohol affects your liver more directly than your kidneys, but it can raise your blood pressure. High blood pressure can damage the tiny filters in your kidneys. In fact, high blood pressure is the second-leading cause of kidney failure.

Still, in moderation, alcohol is usually not a problem for healthy people. As a general rule, this means no more than two drinks per day for men or no more than one drink per day for women.

Note: Alcohol can also be dangerous if taken with some medicines. Check with your doctor or pharmacist to learn whether it is safe for you to drink.

4. Is soda bad for my kidneys?

A recent study suggests that drinking two or more cola drinks (either diet or regular) each day may increase your risk for chronic kidney disease. Other types of sodas (non-colas) did not seem to increase the risk. However, it's important to subtract sugary drinks and other empty calories from your diet as much as possible because they increase our total caloric intake but don't provide any of the vitamins or minerals our bodies need.

5. Is cranberry juice good for my kidneys?

Cranberry juice is not used to treat or prevent kidney disease, but some evidence suggests that cranberry juice may help prevent urinary tract infections (UTIs).

A Vision For Our Church

"Centenary UMC will continue to be THE place to be for weekend worship. People will often drive by this church and think, 'That place is packed: I wonder what I'm missing?' Through our church culture and worship atmosphere we will provide the spiritual spark for people to see God in their daily lives and grow in their understanding, ministry and faithful relationship with Him."
