Greetings in the name of Christ!

As November approaches, we find ourselves on the brink of the Thanksgiving season, a time of gratitude, unity and reflection. It is with warmth in my heart that I greet each and every one of you during this special time of the year.

Thanksgiving is a time when we come together with our loved ones to appreciate the blessings in our lives, both big and small. It's season that reminds us of the importance of family, friends, and the bonds we share as a church community.

A short while back, during one of our Sunday sermons, I introduced you to a significant concept known as 'Normativity.' We tend to think or just assume everyone sees things the same way, benefits in the same way, thinks the same way, should act the same way, shares the same values, and should receive the same treatment. When we see people and the world through the lens of 'my Normativity,' we are likely to judge difference as an aberration, and often difference is viewed as inferior, defective, or threatening. This conflict of normativity happens at every corner of our lives, when it takes place in a family setting, it is a family feud, in a married life setting, it produces a relationship crisis among couples, and when it happens in a racial relationship setting, it is bound to be a racist issue.

Therefore, we are to turn to the Holy Spirit, one common denominator among all the people of diverse backgrounds. Ephesians 4: 3-4 says...**make every effort to maintain the unity of the Spirit in the bond of peace. There is one body and one Spirit, just as you were called to the one hope of your calling,**

As we gather with our families and friends, let us embrace one another with open hearts, understanding, and compassion, recognizing that our differences are what make our relationships richer and more meaningful. May your Thanksgiving be a time of warmth, unity and the purest expressions of God's love. I am truly thankful for each one of you and the faith that binds us together.

In Christ's love,

Pastor Maria

TO LOVE YOU MORE...

It is the job of the pastor, leaders, and whole congregation to care for the body of the church. We are called to love as Jesus loved.

The church doesn't always know when you are hurt, having surgery, going through a tough time, or in the hospital. **If you would like Pastor Maria to visit you or a family member**, please call the church office or her cell directly at (253) 886-6015 to set up a time!

Trustees News

The Parsonage deck is being worked on and hopefully be done in a day or two. They will be starting to work on some maintenance and updates around the church now that all the big projects are done.

Thank you to the Trustees and volunteers for the **Parsonage deck renovation**: Art & Lois Finnigan, Jeremiah Diedrich, Tom Teutschmann, Chris Teutschmann, and Jamie Roberts.

In order to do all of these latest projects, we have had to take money from our investments. We are looking for contributions to help grow our accounts back up. If you feel called to contribute directly to these projects so we don't have to pull from the investments, we would greatly appreciate it. We'd like to make the church as accessible as possible without depleting all of our investment funds.

Meetings and News

Retired & Re-Fired Small Group

Happy November to you all!

Time to get out the warm clothes! **Our next meeting will be on Monday, November 13 at noon upstairs in the Serenity Room.** We will be watching the next episode of The Chosen. Please bring your own lunch. Coffee, tea and dessert will be provided. Thank you to everyone that brought food to our potluck meeting in October — it was delicious!

After our video we'll discuss making Christmas cards and gift bags in December. We are still looking for donations of unused, working sewing machines so ask your friends and family if they have any. They can be brought to church, or we can arrange to pick them up locally. If you have any questions, please call me at 608-482-2753.

May God bless you and guide you until we meet again!

Mary Gensler, Retired & Re-Fired Small Group Leader

Sewing Machines Wanted

Do you have a functioning electric or treadle sewing machine that you don't use and don't want anymore? Would you like to empower men and/or women to be able to make a living for themselves? Midwest Mission has a place for it.

The Retired and Re-Fired Group is collecting usable electric and treadle sewing machines to be donated to Midwest Mission, who will distribute the machines to nonprofits in developing countries or in the United States, teaching men and women how to sew so it can be a means for making a living. Midwest Mission works with UMCOR (United Methodist Committee on Relief) as a relief supply network.

If you have a sewing machine that you would like to donate, or if you have questions, please call the church office (965-3455) or Lois Finnigan (965-3036).

If you would like more information about Midwest Mission, visit midwestmission.org.

Happy November! We had another wonderful pasty bake on October 14 and sold 125 pasties! Thank you to everyone who came and prepped on Friday, all who helped make the pasties on Saturday, and everyone who purchased a pasty. We had a lot of fun and the church smelled wonderful! Thanks, everyone!

Our church charge conference is being held on Sunday, October 29, and we will be having a potluck right after church. We will be providing shredded pork sandwiches, coffee, lemonade, and milk. Bring a dish to pass, and make sure to come to our important charge conference meeting to follow the potluck.

We also will be hosting our annual Thanksgiving meal on Thursday, November 16 at 6:00 pm. Turkey, dressing, potatoes, and rolls will be provided. Bring a dish to pass (sign- up sheet in church sanctuary) and have Thanksgiving with your church family! Hope to see you there!

And don't forget our Thanksgiving Pie Sale is coming up! We are making Apple, Pumpkin, and Pecan pies from scratch. Infant Baptism

Adult baptisms are typically part of becoming a member of the church. At Centenary UMC, we also celebrate the Sacrament of Baptism for infants and children. When an infant or child is baptized, the congregation commits itself to nurturing the child in faith. In turn the parents or guardians of the child declare their promise to be an active part of the church community.

A baptism application must be submitted five to six weeks prior to the Sunday your child will be baptized, and the parent(s) must attend a Baptism Commitment Class (one time). An application is available at the church office. For more details or questions, please, contact Pastor Maria.

Worship service is recorded every Sunday and posted on the church **Facebook page**. The Tech Team is in charge of recording & posting, if you would like to be part of the team, please let Team Leader Jeremiah Diedrich know. In addition to posting on Facebook we will now be posting the weekly worship on our **Website** as well. It will be posted by Monday afternoon.

50 Attendance Challenge Team Ministry

In the first half of 2023, our church leadership (Accountable Leadership Board) worked hard carrying out various missions and ministries under the 2023 vision statement of CUMC, *"Be a welcoming community for all, worshipping together at God's house."* In line with this vision, the 50 Attendance Challenge Team was organized to work toward the strategic goal of *"to have more than 50 at each service."*

50

ATTENDANCE CHALLENGE

We have had five successful Challenge Sundays. Our first 50 Attendance Challenge Sunday was Easter Sunday, then after an energetic VBS week we had our second successful Sunday. Our third 50 Attendance Challenge Sunday was held on August 27 with the Re-Awaken CUMC Band playing / leading praise time; we also handed out backpack blessings to children returning to school. The fourth 50 Attendance Challenge Sunday was "Cinnamon Roll Sunday" held on September 24 with the Re-waken band playing/ leading praise time. We had the honor of Dan Dillon preaching about "An Inconvenient Truth." Therese Gratz started the day off with her yummy cinnamon rolls for Coffee Fellowship time. Thank you to all who made this day a success.

Our fifth challenge day was held on Sunday, October 22, when we gathered to celebrate Laity Sunday. We are so glad we have a very supportive church and community. Special thanks to those in our congregation who made this worship possible. Thanks to praise time being led by the talented Re-Awaken Band, our wonderful message shared by Danica Diedrich, our terrific Youth from Confirmation Class helping read announcements, greet our fellow congregants, and light the candles. We also got to have a special event at the service: Art Finnigan, our ALB Chair, presented Bibles to all of the 2023-2024 Confirmation Class. It truly was a wonderful service.

Watch the upcoming newsletters to learn our next 50 Attendance Challenge date!

Parish Ministry

Pastor Maria's regular office hours during the weekdays are from Tuesday to Thursday. We kindly request your attention to the fact that Hazel Green UMC is also an integral part of her ministry, and she always sets aside a certain amount of her time to engage with Hazel Green congregation for visitation, small group gatherings, Bible study, and more. Please feel free to inform her of your visit to coordinate a suitable time. While Tuesday mornings or Thursday afternoons would be the most convenient for her, given her commute (schedule & route), she is open to any time that suits your needs.

Advent by Candlelight Planning Started

It's hard to believe it, but it is that time again already....time to start planning for the 8th annual Advent by Candlelight. At this time we are working on the details and are hoping to have enough hostesses to make the event this year happen. Be sure to watch your e-mail, Facebook, website, and December's newsletter for more information and if we are able to have this the date.

If you are interested in serving as a coordinator or helper or hosting a table this year, please contact Becky Upmann at the church office at 965-3455, at her cell 482-3920, or e-mail the church office centenaryumcoffice@yahoo.com.

Becky Upmann, Team Leader

Advent Readers Needed

You and/or your family can be Advent readers this year during Advent or at Christmas Eve.

If you are interested, please contact :
Sharon Teutschmann at 608-732-7232 or
Julie Gill at 482-0494
 Your help is appreciated.

Families Needed

Centenary will once again be sponsoring some families who could use a little extra help this Christmas. If you know of a family who would be a good candidate for sponsorship (some guidelines do apply), contact the church office, then the team will reach out to those families.

We like to have the tree and ornaments up by the weekend BEFORE Thanksgiving for any of you who shop on Black Friday, so to give us enough time, we will need to have family names by early November. We are giving plenty of advance notice in order to reduce the number of last-minute requests.

God's Abundance

I started preaching when I was just 18 years old. I was invited by my home pastor to preach, despite my age, because he knew I had a call to the ordained ministry. By the time I was 20, I had preached a whopping three sermons. With my call and this vast amount of experience behind me, I was invited to serve a small, rural congregation in Southeastern Wisconsin as their supply pastor — which basically meant I would visit the members in their homes and preach every Sunday. And so, in November of my junior year of college, I began to preach every Sunday for a congregation of 52 people. As I remember my first year there, I have fond memories of a group of faithful people who had to listen to, probably the worst sermons ever given.

Despite my inexperience, the congregation was very supportive — often offering a tip or an encouraging word. Particularly, I remember one gentleman who came up to me to give me a pat on the back one Sunday morning. After a particularly difficult sermon he said that he truly enjoyed my messages. A little surprised, I responded by simply saying, “Really?” He continued by saying, “Oh yes. You know, you stand up every Sunday and try to tell us about God’s love and grace. But what I really like is the fact that, in the whole year you’ve been preaching, you’ve never mentioned money once.”

Considering that comment, I suppose it could be seen as a bit ironic that my ministry as a part of the Foundation is helping congregations and pastors learn how to comfortably talk about money in relation to our faith (maybe even excitedly). What I’ve discovered, however, is that talking about stewardship is about focusing love and grace. It is about helping people realize all the ways we are blessed by God, that God has given to us abundantly. God has given us so much, in fact, that we have enough to give generously in love for others.

I encourage you to speak about stewardship boldly. Talk about how you have experienced God’s love, grace, and abundance. Share how generosity has transformed your life. Talk about the blessings others have experienced in your church that are made possible by your community’s generosity.

Rev. Jason Mahnke, Wisconsin United Methodist Foundation

Our intercessory prayer group is going well! Intercessory prayer is powerful!!! It's simple to join, just send your email address to Pam Teasdale at pamteas@yousq.net!

When we pray, God listens and works for us! The Lord is near to all who call on him, to all who call on him in truth (Psalms 145:18).

As children of God, we are connected through our prayers for each other in Christ. Feel free to submit as many prayer requests as you like!

Going Above and Beyond as Stewards of CUMC

Food Pantry Giving

We collected 4 items for our October collection. We are looking for ways to advertise so more people know where to locate the donation boxes. Food is in high demand so any donation would be appreciated.

For the month of November we are collecting cereal. Distribution will be on Thursday, November 16.

November Missional Giving

Mission money collected this month will go to **Christmas Blessings Giving Tree**. This money will help cover the cost of items that are left on the tree to be purchased. If you would like to give to a different ministry, just write it on your envelope, but if you don't, it will go to this month's cause.

Join us on Sunday mornings before Worship for Coffee and Fellowship. Coffee, tea, and milk along with a light snack will be served from 10:00-10:30 a.m. every Sunday.

If you feel called to sign up for a Sunday, please see the sign-up sheet on the back table or contact the team leader Mary Gensler.

Fill the Sills for Jesus!

Again this year Centenary UMC is attempting to fill all the sanctuary window sills during the Advent and Christmas season with non-perishable food gifts to offer to Jesus on His birthday! The beloved ministry of CUMC Food Pantry will distribute them to those in need in our community. **Please start bringing food products to church (you can leave outside the upstairs doors on office days Monday-Thursday or call ahead and we will come out and get it from you)** and let's fill the sills again this year to provide food for our brothers and sisters and God's beloved children! We will be collecting donations until Wednesday, December 20.

From Our Parish Nurse.....

November is Hospice and Palliative Care Month

Many people are familiar with Hospice care, but do you know what Palliative care is and what it can do for you or a loved one living with a serious illness?

What Is Palliative Care?

Palliative care is specialized medical care for people living with a chronic or serious illness. This type of care is focused on providing relief from the symptoms and stress of the illness. The goal is to improve quality of life for both the patient and the family. Palliative care is provided by a specially-trained team of doctors, nurses and other specialists who work together with a patient's other doctors to provide an extra layer of support. Palliative care is based on the needs of the patient, not on the patient's prognosis. It is appropriate at any age and at any stage in a serious illness, and it can be provided along with curative treatment.

Palliative care improves Quality of Life.

Palliative care teams focus on quality of life. They treat people suffering from the symptoms and stress of serious illnesses such as cancer, congestive heart failure (CHF), chronic obstructive pulmonary disease (COPD), kidney disease, Alzheimer's, Parkinson's, Amyotrophic Lateral Sclerosis (ALS) and many more.

Palliative care relieves Suffering From Symptoms and Stress.

The goal of palliative care is to relieve suffering and provide the best possible quality of life for patients and their families. Chronic and serious illness bring symptoms that may include pain, depression, shortness of breath, fatigue, constipation, nausea, loss of appetite, difficulty sleeping, and anxiety. The team will help you gain the strength to carry on with daily life. In short, palliative care will help improve your quality of life. And recent studies, including one published in the New England Journal of Medicine, have shown that patients with a serious illness who received palliative care lived longer than those who did not receive this care.

Palliative care Helps You Match Treatment Options to Your Goals.

The palliative care team also spends the time it takes to help you match your treatment choices to your goals. They will also make sure that all of your doctors know and understand what you want. This gives you more control over your care and will improve your quality of life.

Palliative care Works Together with Your Other Doctors.

Palliative care teams are specialists who work together with you, your family and your other doctors. They provide an extra layer of support when you need it most. In addition to treating your symptoms and stress and supporting you and your family, the palliative care team communicates with all of your doctors so that everyone is on the same page. They support you every step of the way.

If you or a loved one is facing a serious illness, you may benefit from palliative care. You can have palliative care at any point in your illness. Speak to your doctor, and ask about how palliative care can work for you!
